LETTER

Dear Sir:

The attached Submission of Combined Declaration and Power of Attorney as well as the Declaration and Power of Attorney itself were originally mailed on the 10th of October 2001 by John W. Wallen III as indicated on the face of the attached documents. Also attached is a copy of the face of the envelope in which the attached documents were mailed. Mr. Wallen is a patent attorney who works at a Johnson & Johnson site located in San Diego. He used as a return address on the envelope a New Brunswick, N.J. address which is the address of the principle docketing personnel of his organization.

For reasons unknown, the U.S. Post Office delivered the envelope and the documents to the return address and not to the Asst. Commissioner of Patent and Trademarks as intended. Thus, although the envelope appears to be correctly addressed and to have the correct postage, it was delivered to Johnson & Johnson in New Brunswick, N.J. with no explanation for such delivery.

There does not appear to be any harm to applicants since the declaration and power of attorney is not due until November 10, 2001. This letter is intended to give notice to the PTO of the facts surrounding the submitted certification of deposit. Also, by this letter, applicants reserve the right to supply further documentation and proof as necessary to establish the October 10th mailing date if required

Respectfully submitted,
